# Lakestate Mfg.

Lakestate Mfg is committed to providing quality Tank Brackets for most tractors today. We are committed to custom building for your specific need and servicing what we sell.

## Lakestate's Double TOP Tank

The easy way of adding Liquid Products.

Lakestate's New Double Top Tank eliminates the need of front tanks on tractors while adding the option of another liquid for low gallonage products. This can be added to any Lakestate tank setup with easy installation.
